

20th Cascade International Exhibition of Stereo Photography 2018

Consisting of 3 Digital Sections – Open Section, Altered Reality Section, and Landscapes / Seascapes / Cityscapes Section.

Closing Date: Monday October 8, 2018

Entering

An entrant may enter a maximum of four images in each of the sections. You may NOT enter the same image in more than one section, even if the images have different titles. We will not accept images that were previously accepted at any Cascade Exhibition, even if the images were presented in the past in a different format. Both new and experienced stereographers are encouraged to enter this Exhibition. There is no restriction as to subject matter.

An entry consists of three elements:

- Contestant information, including name, address, email, etc.
- Up to four electronic images in each section entered, in .MPO format.
- Payment of \$6.00 per section entered.

Each of these three elements may be submitted in either of the following ways:

- Online at <http://www.3dpdx.org/entry.html>.
- Via First Class or Foreign Air Mail, along with the accompanying entry form, to:

Herb Weiner
4647 SE 33rd Avenue
Portland, Oregon 97202 USA

We encourage all contestants to submit all three elements online, but recognize that some contestants may prefer to submit one, two, or all three elements via postal mail. For example, a contestant may submit the first two elements online, and then mail a paper check. Or, a contestant with a slow Internet connection may submit the first and third element online, and then mail a CD-ROM containing his or her MPO images.

Any questions about entry requirements or problems with online entry may be emailed to herbw@wiskit.com. However, please do **not** send entry forms or images via email (please use the web instead).

All winning images will be displayed on the Club's website at <http://www.3dpdx.org/psa2018.html> for at least one month. CSC takes no responsibility for infringement of copyright by entrants or for illegal duplication of any submitted material.

Judging

All three sections will be judged by 3 experienced judges. Electronic images will be displayed on an LG 65" passive UHD OLED 3D-TV (model OLED65C6P).

Conditions of Entry

The exhibition is open to anyone; however, an entry may be rejected when the sponsoring organization or its agent, in its reasonable discretion, believes the entry does not conform to the exhibition rules and conditions.

An entrant's images will not be presented to the judges consecutively. An entrant's four images will be distributed throughout four rounds of judging in that section. Distribution of images shall be in the same round order as submitted by the entrant.

Entries must originate as photographs (image-captures of objects via light sensitivity) made by the entrant on photographic emulsion or acquired digitally. By virtue of submitting an entry, the entrant certifies the work as his own (aliases are not permitted). The entrant permits the sponsors to reproduce all or part of the entered material free of charge for publication and/or display in media related to the exhibition. This may include low resolution posting on a website. Note: Entrants who indicate that their images may not be reproduced or used "will be subject to disqualification" by the exhibition sponsors.

The exhibition assumes no liability of any misuse of copyright. Images may be altered, either electronically or otherwise, by the maker. Artwork or computer graphics created by the entrant may be incorporated provided the photographic content predominates, subject to Nature, Photo Travel and Photojournalism divisional restrictions. All final work must be on photographic film, or on electronic file, or on photographic or electronic print material, mounting excepted.

No title or identification of the maker shall be visible anywhere on the face of an image, print mat or mount entered in a PSA Recognized exhibition.

Each image must have a unique title. Once an image has been accepted in a PSA Recognized exhibition, that same image, or a like "in camera" or a "reproduction" duplicate of that image:

- i. May not be entered or re-entered in any section of the same Division Star Ratings class in that exhibition regardless of media, format, or title.
- ii. May not be re-titled for entry in any other PSA Recognized exhibition, including translation into another language.

Words such as "Untitled" and "No Title" are not acceptable as part or all of an image's title, nor are camera capture filenames.

An image may be entered in only one section where acceptances of that image in multiple sections would be eligible for the same star path.

Breach of Conditions of Entry

If at any time, it is determined in the reasonable discretion of the exhibition organizer or the judges before, during, or after the judging of an exhibition that an entrant has submitted entries where one or more images may fail to comply with these Conditions of Entry, including the stated definitions, the exhibition organizers reserve the right to delete the entry from the exhibition and void any or all acceptances or awards in connection with the exhibition. Fees may be forfeited or refunded in these circumstances. The entrant acknowledges that the decision of the exhibition organizers or the judges is final.

In order to ensure that images comply with the Conditions of Entry and definitions, the exhibition organizers may carry out reasonable measures to verify that:

- a) the images are the original work of the entrant and
- b) the images comply with the rules and definitions as set out in these Conditions of Entry.

These steps include, but are not limited to, questioning any entrant, requiring the submission of RAW files or other digital files representing the original capture of the submitted image(s), confronting the entrant with evidence that one or more submitted images fails to comply with

the Conditions of Entry (also known as Entry Rules), and offering the entrant a reasonable opportunity to provide counter evidence to refute the exhibition organizer's evidence by a set deadline. Such entries that are not cleared or are still questionable after the entrant has presented evidence may be considered in breach of these Conditions of Entry, and declined. Such entries may be referred to PSA for further investigation of possible ethics violations.

PSA retains the right to investigate in any way all complaints/suspicious of breaches of entry conditions, impose sanctions if deemed necessary, void the acceptances of any image found to violate the PSA rules, include the entrant's name on the list of sanctions provided to Exhibitions, and share such investigations with FIAP. Entrants automatically agree to these terms by the act of entering the Exhibition and agree to cooperate with any investigation.
